

Lower Bucks County Joint Municipal Authority

Direct Debit Program

What is Direct Debit?

Direct debit is a free, electronic debit system that makes paying your water and sewer bill easier. Direct Debit automatically deducts the exact amount of your water and sewer bill directly from your bank account.

How does Direct Debit work?

Each quarter you will receive your water/sewer bill in the usual manner. Your bill will state the date in which the amount of the bill will be deducted from your bank account. There will be ample time to allow any concerns that you may have about your bill to be discussed with the Authority. During the week of your due date, the exact amount of the bill is withdrawn from your account. Direct Debit is not available for partial payments.

How do I sign up for Direct Debit?

Complete the authorization form and return it to the Authority Administration Office located at 7811 New Falls Road Levittown, PA or by mail to:

LBCJMA
P.O. Box 460
Levittown, PA 19058

If you have any questions about the Direct Debit program, please call our office at 215-945-7400.
